

Rod Hibbard Memorial Fund for Staff Emergencies

Supporters

Since the Rod Hibbard Fund was established in 1994:

- \$355,131 distributed
- 569 requests for assistance granted
- 305 staff donated to the fund in 2020

What is the Rod Hibbard Memorial Fund?

The Fund was established to provide emergency support to KenCrest employees who experience financial hardship due to medical, personal, or disaster situations. It is funded primarily through staff contributions.

Who was Rod Hibbard?

Rod was the founding director of KenCrest's Philadelphia residential programs. He worked for KenCrest from 1986 until his untimely death in 1994. At the center of his life was his love and devotion for his fellow staff members. In his will, he left a generous gift to the agency which was to be used to start the fund named in his memory, to help fellow staff in crisis.

How can I help?

You can make contributions through payroll deductions, or by participating in the fundraisers that happen at KenCrest periodically throughout the year. Your contributions of even just \$1 per pay can make a difference in the life of a fellow staff member. **To sign up for payroll deduction, complete the form below and submit to the payroll department.**
